

Dear Friends,

Many of you are familiar with the story and journey of a special Providence Star, Carter Martin. For those of you new to the Providence family this year, I would like to share with you how a seven year old boy changed the lives of over a half million people. Carter Samuel Martin was a second grader at Providence Christian Academy when his battle with Ewing's Sarcoma ended on September 12, 2004. Carter fought this cancer bravely for 20 months, never giving up hope for a cure. Carter emptied his piggy bank and donated it to the AFLAC Cancer center in hopes that other children might not suffer from childhood cancer.

Carter and his family honored Providence with the privilege of sharing in their journey and witnessing their courageous spirit and faith. Providence is thus honored to host the Fourth Annual Carter Martin Classic in Carter's honor and to have the opportunity to be a part of funds raised to find a cure for childhood cancer.

The Fourth Annual Carter Martin Classic will be held on Friday December 7th, 2007 at Providence Christian Academy. The event consists of four basketball games between Providence Christian Academy and Dawson County team hosted at the Providence Gymnasium. All proceeds that night are donated so that all of the proceeds from The Carter Martin Classic benefit The Carter Samuel Martin Experimental Therapy Research Fund at the AFLAC Cancer Center. This allows new clinical trials and therapies to bring advanced treatment options to Pediatric Cancer.

Celebrate Carter's life and support our local community by becoming a sponsor for the Carter Martin Classic. Be a part and make a difference in the lives of children and families battling childhood cancer.
